Sleep Study Billing

We will be billing for the services that we provide. It is your responsibility to check with your insurance prior to the study for any out-of-pocket expense or deductibles that need to be met. DSM Sleep Specialists will bill your insurance a maximum amount (see below) for an in-lab study. This amount is adjusted by your insurance company per the contracted rate.

(95810) PSG	\$1558.00 (study and interpretation)
(95782) PSG under 6	\$2288.00 (study and interpretation)
(95811) Titration	\$1633.00 (study and interpretation)
(95783) Titration under 6	\$2400.00 (study and interpretation)
(95805) MSLT/MWT	\$1101.00 (study and interpretation)

If you are a no show for your in-lab sleep study, you will be charged a \$700.00 fee.
